

Zahara® Eco-Kleen

Water-Based Plate Cleaning for Zahara Plates

Fast, Easy and Reliable Cleaning of Verico's Zahara Plates

- Designed for easy use and low maintenance
- Water-saving, environmentally-sustainable operation
- Robust engineering; sturdy steel frame; PVC tank
- Closed system with 80-liter water recycle (no need for external water connection)
- Equipped with a three brush system—Oscillating brushes with adjustable pressure and soft touch technology for highly efficient cleaning
- User-friendly digital control panel for plate count, temperature, brush and transport speed setting
- Automatic start with plate reading sensor
- Plate thickness range: 0.15 mm–0.30 mm
